# How to open Google Colab?

**Step 1:** Login Google Drive

**Step 2:** Click right-mouse, and choose "More".

Step 3: If having the "Google Colaboratory", click on it. Done.

Otherwise, choose "Connect more apps", and move to step 4.

Step 4: Search "Colaboratory" on the "search bar".

Step 5: Click on "Colaboratory to install. Back to step 3.
